

The Kyocera Group will remain a pioneer, developing innovative new technologies to meet our customers' most challenging demands.

Kyocera products and services support customers worldwide. We develop, manufacture and market in wide-ranging fields by combining the diverse strengths of the Kyocera Group. One element found in all Kyocera business segments is our ability to create advanced technologies through persistent creative effort. We are committed to developing new products, ideas and solutions that exceed customer expectations.

THE NEW VALUE FRONTIER

"The New Value Frontier" reflects Kyocera's commitment to creating new value at the cutting edge of technology. The global Kyocera Group develops unique technologies and applies its vision to create valuable products that the markets continually seek.
