

# The Purpose of the Report

The Kyocera Group is pursuing the development of business activities to become “An innovative enterprise that continues to grow,” and to help build a sustainable society. We, the Kyocera Group, are deeply grateful for the backing of our customers, employees, shareholders, investors, business associates and local communities. The support of all Kyocera Group stakeholders makes it possible for us to work toward our goals.

The purpose of this report is to highlight various Kyocera Group activities and enhance communication with all who may be interested. We hope the report will aid understanding of the Kyocera Group and promote good communication. Supplementary details and other information not contained in these pages can be accessed through our website, [www.kyocera.com](http://www.kyocera.com).

The content of this latest edition of the report has been revised to heighten awareness of Kyocera Group Corporate Social Responsibility. The title has thus been changed from *Kyocera Sustainability Report*, to *Kyocera CSR Report*. Furthermore, the style and layout have been revised for greater visual ease and readability.

We would like to consider your views on the work of the Kyocera Group in planning our future activities. Therefore, please spare a few minutes to complete and return the questionnaire at the back of this booklet.

## Guideline References

- Ministry of the Environment  
<Environmental Report Guidelines (2003 Edition)>
- GRI\* <Sustainability Reporting Guidelines 2002>

\* Abbreviation of Global Reporting Initiative. GRI is an international organization established in 1997 to draft a sustainability report framework that can be applied worldwide.
