Kyocera contributes to society with comprehensive solutions that enhance everyday life.

As Internet of Things (IoT) technology expands into our daily lives, Kyocera products and services will continue to find new and innovative applications. Our four principal markets are Information & Communications — connecting people and devices; Automotive — making vehicles smarter, safer and more eco-friendly; Environment & Energy — contributing to a more sustainable society; and Medical & Healthcare — where Kyocera products help to ensure longer, happier, and healthier lives.

By focusing our strengths on the above markets, the Kyocera Group will continue to develop highly valuable products and services, supporting a more comfortable and sustainable world.
