**Document Solutions**

**Printers & Multifunctional Products**

Kyocera offers a full line of printers and multifunctional products (MFPs) that are both ecological and economical, for customers ranging from home office users to large corporations. A unique feature of our products is their outstanding long-life performance, which has earned a strong reputation worldwide.

**ECOSYS Printers**

Utilizing our accumulated expertise in developing document management equipment with long-life performance, ECOSYS printers help minimize environmental impact and network operating costs.

**TASKalfa Multifunctional Products (MFPs)**

TASKalfa MFPs are so named by combining the words “task” and “alfa.” Designed with proprietary, ultra-reliable technology to maximize work efficiency, TASKalfa MFPs provide comprehensive document solutions for every user.

**Kyocera Document Solutions Earns Germany’s Blue Angel Award**

Released in 1992 as a new concept in the industry, Kyocera’s first ECOSYS printer, the FS-1500, could print 300,000 pages with no maintenance other than adding toner. A later version in 1997 became the world’s first printer to win Germany’s Blue Angel eco-label. Now, more than a quarter-century later, the outstanding long-life performance of ECOSYS printers continues to set new standards.

**Enterprise Content Management (ECM) Solutions**

Kyocera’s Enterprise Content Management (ECM) solutions enhance customers’ productivity and efficiency through comprehensive management of data and documents. Combined with our proprietary document software, Kyocera’s ECM solutions are developed entirely in-house and cover all aspects of document management, from input to output. Moreover, seamless connection with Kyocera printers and MFPs ensures a total ECM service.

**Inkjet Printing Systems**

Using proprietary image-processing and paper-handling technologies developed for office printers and MFPs, Kyocera is expanding its inkjet technology into commercial printing applications such as catalogs and direct-mail leaflets.
