Notice relating to Distribution of Interim Dividends and
Revision of Amount of Dividends for the Fiscal Year ending March 31, 2012

This is to advise you that Kyocera Corporation (the “Company”) resolved at a meeting of its Board of Directors held on October 27, 2011 in respect of payment of interim dividends, as set forth below. The Company also decided to revise the forecast of dividends for the fiscal year ending March 31, 2012 (“fiscal 2012”).

1. Reason for decision of distribution of interim dividends and revision of forecast of amount of dividends
The Company determines the amount of its dividends based on its basic policy in profit allocation. Based on the financial results for the six months ended September 30, 2011, which were published on October 27, 2011, and the forecast of the Company's performance for fiscal 2012 and in light of the Company's dividend policy, the forecast of the amount of dividends for such full fiscal year has been revised as set forth below.
The Company announced the revision of its financial forecast for fiscal 2012 on October 27, 2011.

Note: Forward-Looking Statements

Certain of the statements made in this document are forward-looking statements (within the meaning of Section 21E of the U.S. Securities and Exchange Act of 1934), which are based on our current assumptions and beliefs in light of the information currently available to us. These forward-looking statements involve known and unknown risks, uncertainties and other factors. Such risks, uncertainties and other factors include, but are not limited to the following lists:

- (1) General economic conditions in our markets, which are primarily Japan, North America, Europe and Asia;
- (2) Economic, political and legal conditions and unexpected changes therein in countries or areas where we operate;
- (3) Factors that may affect our exports, including a strong yen, political and economic instability, customs, and inadequate protection of our intellectual property;
- (4) Fluctuation in exchange rates that may affect the value of our foreign assets or the prices of our products;
- (5) Intensified competition in product pricing, technological innovation, R&D activities, product quality and speed of delivery;
- (6) Manufacturing delays or defects resulting from outsourcing or internal manufacturing processes;
- (7) The possibility that expansion of production capacity and in-process R&D activities may not produce the desired results;
- (8) The possibility that companies or assets acquired by us may not produce the returns or benefits, or bring in business opportunities, which we expect;
- (9) Inability to secure skilled employees, particularly engineering and technical personnel;
- (10) The possibility of divulgence of our trade secrets and infringement of our intellectual property rights;
- (11) The possibility that we may receive notice of claims of infringement of other parties' intellectual property rights and claims for royalty payments;
- (12) Increases in our environmental liability and in costs and expenses required to observe obligations imposed by environmental laws and regulations in Japan and other countries;
- (13) Newly enacted laws and regulations or stricter interpretation of existing laws and regulations that may limit our business operations;

- (14) Events that may negatively impact our markets or supply chain, including terrorist acts, plague, war and similar events;
- (15) Earthquakes and other related natural disasters affecting our operational facilities and our markets or supply chain, as well as social and economic infrastructure;
- (16) Exposure to difficulties in collection of trade receivables due to customers' worsening financial condition;
- (17) The possibility of recognition of impairment losses on investment securities held by us due to declines in their value;
- (18) The possibility that we may record impairment losses on long-lived assets, goodwill and intangible assets;
- (19) The possibility that deferred tax assets may not be realized or additional liabilities for unrecognized tax benefits may be incurred; and
- (20) Changes in accounting principles.

Such risks, uncertainties and other factors may cause our actual results, performance, achievements or financial condition to be materially different from any future results, performance, achievements or financial condition expressed or implied by these forward-looking statements. We undertake no obligation to publicly update any forward-looking statements included in this document.
